

# Charlie Landsborough, Gone, But I Can't Let You

It's easy I know  
Friends keep tellin me so  
It's purely a matter  
Of biding my time  
I'm tryin to forget  
How to manage it yet  
Your Gone  
But I can't let you go

I wake up  
Each morning and find  
Your smile is still hauntin my mind  
I'll know that you're gone  
But the pain lingers on  
Cause you left  
All your memories behind  
What can I do  
I still got you in my heart

When friends come to call  
They're no use at all  
Though they're tryin their best  
To help me I know  
Your subject is bound  
But they don't understand  
That you're gone  
But I can't let you go

Your message so clearly defined  
Is there in the note that you signed  
It's someone you've met  
But I'll never forget  
Cause you've left all your memories behind

Can't break away  
You're here to stay  
In my heart  
It's easy I'm told  
When one love turns cold  
To find someone new  
And let that love grow  
But I'm still holdin fast  
To my dreams of the past  
Cause your gone  
But I can't let you go  
Oh you're gone but I can't let you go
