

# Charlie Landsborough, I Will Love You All My Life

Your forever telling me Im weak  
When Im critized I never speak  
I prefer to turn the other cheek  
But I will love you all my life

I can never do things right by you  
Im the kind of man who muddles thru  
You can find mistakes in all I do  
But I will love you all my life

Something foolish happens and you see  
In the Middle of it all is me  
Seems I cause you so much misery  
But I will love you all my life

All my life, All I own  
Everything is yours alone  
Everyday my whole life thru  
I will spend loving you

Everybody says for you Im wrong  
Youll get nowhere Fast with me along  
They keep telling me I dont belong  
But I will love you all my life

All my life, All I own  
Everything is yours alone  
Everyday my whole life thru  
I will spend loving you

I will love you all my life
