

Charlie Landsborough, Just One More Chance

We spend our lives in searching for happiness
I found it once and tossed it a side
I paid for it
With hours of loneliness
I've nothing to hide
I'd bury my pride for

Just one more chance
To show that you alone I'd care for
Each night I'd say a little prayer for
Just one more chance

Just one more night
To taste the kisses that enchants me
I'll want no others if you'll grant me
Just one more chance

I've learned the meaning of repentance
Now you're the jury at my trial
I know that I should serve my sentence
Still I'm hopin all the while that you'll give me
Just one more word
I know that I was glad to start out
But now I'm back to crying my heart out
For just one more chance

I've learned the meaning of repentance
Now you're the jury at my trial
I know that I should serve my sentence
Still I'm hopin all the while that you'll give me
Just one more word
I know that I was glad to start out
But now I'm back to crying my heart out
For just one more chance
Just one more chance
Just one more chance
