

Charlie Landsborough, Like Rain

Give me some paper and a pen
And I will write you
The starry art of
Broken heart
Of golden dreams that fell apart
Behind the wall where sorrows fall
Like Rain

Give me some music and the moon
And I will sing
A ocean full of fallen stars
A landscape letter with this scar
Of cruel lies
Where on earth tried
Like Rain

I'm fallen and you know why
Cause like the sky you have me
And love me so
Then let me go
Like Rain

Build me a stairway to the past
And I will take you
Beyond the reasons to forget
Into dimensions of regret
Where memories sleep
And gently weeps
Like Rain

I'm fallen and you know why
Cause like the sky you have me
And love me so
Then let me go
Like Rain

MUSIC..

Give me some paper and a pen
And I will write you
The starry art of
Broken heart
Of golden dreams that fell apart
Behind the wall where sorrows fall
Like Rain

Behind the wall where sorrows fall
Like Rain
