

Charlie Landsborough, Lovers Chain

Ive found all the love I ever wanted
Things so sweet I never could explain
Hold me like a prisoner who has nowhere to escape
Tied forever to a lovers chain.

You showed me the strongest love is gentle
Softer than the lightest summer rain
You dont have to try at all to keep me where I am
Locked forever in the lovers chain.

Some friends would like to take me back to where I used to be
They cant believe my old ways have all died
They wont listen to me when I try to make them see
A little love can keep me satisfied.

It took a while to make my heart surrender
Surrender proved so easy when it came
Now nothing in this crazy world could take my heart away
From the sweetness of your lovers chain.

Ive discovered my remedy of heaven
By your side forever Ill remain
All the doubtful pleasures of my past could not compare
With the sweetness of your lovers chain.
With the sweetness of your lovers chain.
