

# Charlie Landsborough, Smile

Smile though your heart is achin  
Smile even though it's breakin  
When there are clouds in the sky  
You'll get by  
If you smile through your fear and sorrow  
Smile and maybe tomorrow  
You'll see the sun come shining through  
For You

Light up your face with gladness  
Hide every trace of sadness  
All though a tear maybe ever so near  
That's the time you must keep on tryin  
Smile what's the use of cryin  
You'll find that life is still worthwhile  
If you just smile

La da da da

You'll see the sun come shinin through  
For you

Light up your face with gladness  
Hide every trace of sadness  
All though a tear maybe ever so near  
That's the time you must keep on tryin  
Smile what's the use of cryin  
You'll find that life is still worthwhile  
If you just smile
