

Charlie Landsborough, Smile

Smile though your heart is achin
Smile even though it's breakin
When there are clouds in the sky
You'll get by
If you smile through your fear and sorrow
Smile and maybe tomorrow
You'll see the sun come shining through
For You

Light up your face with gladness
Hide every trace of sadness
All though a tear maybe ever so near
That's the time you must keep on tryin
Smile what's the use of cryin
You'll find that life is still worthwhile
If you just smile

La da da da

You'll see the sun come shinin through
For you

Light up your face with gladness
Hide every trace of sadness
All though a tear maybe ever so near
That's the time you must keep on tryin
Smile what's the use of cryin
You'll find that life is still worthwhile
If you just smile
