

# Charlie Landsborough, Time To Learn

The hand is cold that once held mine  
I can't believe you've really left this world behind  
I can't wait I can't hope I'll get over you in time  
It takes time to learn when someone's gone for good  
They're not coming back like you wish they would  
In the empty hours when you miss them so  
Then it's time to learn to let them go.

Your last hours, we never knew  
We never had the chance to say goodbye to you  
Words unsaid, things undone  
We just begun and now will never see them through  
It takes time to learn when someone's gone for good  
They're not coming back like you wish they would  
In the empty hours when you miss them so  
Then it's time to learn to let them go.

It takes time to learn that you have gone for good  
Your not coming back like i wish you would  
In the empty hours when I miss you so  
Then it's time to learn to let you go  
The hand is cold that once held mine.
