

# Charlie Landsborough, When I'm Dead And Gone

Ohhh I love you baby  
Love you night and day  
When I leave you baby don't you cry the night away  
When I die don't you write no words upon my tomb  
I don't believe I wanna leave no emptied if I do

Ohhh when I'm dead and gone  
I want to leave some happy woman livin on  
Ohhhh when I'm dead and gone  
I don't want nobody to mourn beside my grave

Ohhh Momma Linda she's out to get my hide  
She's got a shotgun and a daughter by her side  
Hey there ladies Johnson free  
Whose got the love whose got enough to keep a man like me

Ohhh when I'm dead and gone  
I want to leave some happy woman livin on  
Ohhhh when I'm dead and gone  
I don't want nobody to mourn beside my grave
