

# Charlie Landsborough, When You Were Sweet S

Since first I saw the love light  
In your eyes  
I thought the world  
Held not but joy for me  
And even though  
We've drifted far apart  
I never dream  
But what I dreamed of you

I love you  
As I never loved before  
Since first I saw you on the village green  
Come to me  
Or my dream of love is all  
I love you  
As I loved you  
When you were sweet  
When you were sweet sixteen

Since first I saw the love light  
In your eyes  
I thought the world  
Held not but joy for me  
And even though  
We've drifted far apart  
I never dream  
But what I dreamed of you

I love you  
As I never loved before  
Since first I saw you on the village green  
Come to me  
Or my dream of love is all  
I love you  
As I loved you  
When you were sweet  
When you were sweet sixteen
