

# Charlie Louvin, Just For You

Just for you just for you that's why I say the things I say and I do the things I do  
No one else can make my arms feel like they're wrapped around the world  
Yes I live my life just for you

Each day I wake up with a kiss just for you  
And I count my many blessings and I thank the Lord for you  
And each minute of the day I live a dream that has come true  
Yes I live my life just for you  
Just for you just for you...
