

# Charlie Louvin, Loving You Is A Way Of Life With

Pardon me if I can't keep my hands off of you  
I can't seem to help it you see  
Just a touch of your hand is a dream I can't live  
Loving you is a way of life with me

If I had to walk along through this world without you  
I'd fall like a leaf from a tree  
Pardon me if I can't leave your lips alone  
I've just got to taste them again  
And again and again and again for you see  
Loving you is a way of life with me  
[ steel ]  
If I had to walk along...
