

Charlie Louvin, Only Way Out (Is To Walk Over Me)

(The only way out is to walk over me)

So you found someone else and you're going to leave

Did he tell you that I don't love you did you really believe

On the floor by the door I'll be down on my knees

And the only way out is to walk over me

You don't hear you don't feel but I know you can see

Just to prove that I love you I'll crawl at your feet

Just look down at the ground where your footprints will be

For the only way out is to walk over me

You have put me as low as a man oughta go

But I lay down beside what is left of my pride

If you go you will know cause you can't help but see

That the only way out is to walk over me yes the only way out is to walk over me
