Charlie Louvin, We Must Have Been Out Of Our I

We said our goodbyes long ago Never thinking we'd miss each other so All the memories we can't leave behind Oh we must have been out of our minds

I thought I loved another not you Ain't it foolish I thought the same too They both turned out to be the wrong kinds Oh we must have been out of our minds

Let's forgive and forget the past we've known And reap together the wild seeds we've sowed Surely they can forgive us and find That we must have been out of our minds

I thought I loved another not you... Yes we must have been out of our minds
