

# Charlie Louvin, You're The Sad In My Song

You're the hand that waved goodbye you're the tears that fill my eyes  
You're the love I had that went wrong  
You're the lump that fills my throat and when I sing you're my blue note  
And baby you're the sad in my song  
I've often wondered why when people sing they cry  
I didn't know that love could go wrong  
But now I've sadly learned I'm among the hearts that yearn  
Because darling you're the sad in my songs  
[ dobro ]  
You're the pain that's in my heart and you're the hours we spend apart  
You're the sleep I never find all night long  
You're the lips I used to kiss and you're the girl that I still miss  
Darling you're the sad in my song  
I've often wondered why...
