

Charlie Mars, Captain Captain

Captain, Captain
Please see me my wine
These headstrong winds have taken my prime
Red skies at night lord they ain't no delight
When I'm on these seven seas alone

I think of a time
And a place
And a light
And the way that your face shone

'Cause baby you are my ray of hope
In these smoke and mirrors
You are my land ho
In this shaken body of mine

In the darkness of the night
When all is fast asleep
And the moon is shining white
Make a wish, make a wish
It makes no difference who you are
When I'm on these seven seas alone

I think of a time
And a place
And a light
And the way that your face shone

'Cause baby you are my ray of hope
In these smoke and mirrors
You are my land ho
In this shaken body of mine

What it all comes down into
Is breaking up two by two
I will carry in my heart

Baby you are my ray of hope
In these smoke and mirrors
You my land ho
In this shaken body of mine
