

Charlie Peacock, Finishing Mood

I'm not in a finishing mood
I just want to start something
Bring me your engines and your novel ideas
I'll give you a kick-start and a phrase or two
All my new ideas are so grand
And complicated, maybe they have no endings
Only beginnings
I'm not in a finishing mood, no, no, no, no
I'm not in a finishing mood
I'm not in a finishing mood
I just want to start something
Bring me your engines and your novel ideas
I'll give you a kick-start and a phrase or two
All my new ideas are so grand
And complicated, maybe
They have no endings, only beginnings
I'm not in a finishing mood, no, no, no, no
I'm not in a finishing mood
All my new ideas are so grand
And complicated; maybe they have no endings
Only beginnings
I'm not in a finishing mood, no, no, no, no
I'm not in a finishing mood
