

# Charlie Puth & blackbear, Hard On Yourself

I can see you're struggling  
Promise you'll find love again  
Yeah, it will be alright  
Why are you so hard on yourself?

Yah, whyt you gotta try sso hard?  
Counting calories and carbs  
Another trip across the world

I go so hard tryna  
Make you feel just like a queen  
You don;t need a camera to make a scene
