

Charlie Puth, Girlfriend

Tired of this conversation
We didn't come all this way
To touch a little
Kiss a little
All night long
You wanna hear me say it
I know I kept you waiting
Just a little Just a little
All night long

Can't stop
Till you're laying right here next to me
I should stop
But I think I'll do it anyway

Baby would you ever want to be my girlfriend
I don't wanna play no games
This is more than just a phase
Baby would you ever want to be my girlfriend
If you want it let me know
We can make this official

Don't look perfect baby
Let's take this further baby
Just a little Just a little
All night long
If I was your boyfriend
I'd be giving you all my time
No just a little, just little
All night long

Can't stop
Till you're laying right here next to me
I should stop
But I think I'll do it anyway

Baby would you ever want to be my girlfriend
I don't wanna play no games
This is more than just a phase
Baby would you ever want to be my girlfriend
If you want it let me know
We can make this official

Hold on you're making me
