

Charlie Rich, I Take It On Home

Sometimes at the end of the day
Before I head home, I make a stop along the way
A couple of drinks, wait for the 5 o'clock rush to go by
And almost always there's a lady
Oh, and it's so hard, she starts coming on
I back it on up, turn it around and take it on home
Sometimes I've gotta go out of town
I'll be gone for a couple of days
And this buddy of mine he's a hound in the first degree

And almost always there's the ladies
And it ain't easy there out and alone
But I back it on up, turn it around, take it on home
I take it on home to a woman who sticks by me
'Cause I believe she'd do the same if she was me
And I wouldn't know where to turn to if she was gone
So when I ain't working, I don't hang out I take it on home
I back it on up, turn it around and take it on home
