Let Me Go My Merry Way

By Charlie Rich

I dont want you!

I dont need you!

Why dont we just call it a day?

Hmm-mmm?

Were always fussin!

Lord, its disgustin!

(disgustinyeah!yeah!yeah!yeah!)

Leave me, Baby, and let me go my merry way!

Cause every evenin,

you talk about leavin

Dont come home

till the dawn.

Thats alright now,

It was useless anyhow.

Well, Baby, when you get back here Ill be gone.

I say when you met me,

I was a happy, happy man!

(ooooh-ooohbut you messed up)

My every plan.

So I dont want you!

I dont need you!

You didnt love me anyway.

(anyway)

What are we livin for?

Always tryin to start a war?

Leave me, Baby, and let me go my merry way!

Let me go my merry way!
