

Charlie Rich, Sittin' & Thinkin'

Please baby wait for me
Wait for me
Wait for me

I got loaded last night on a bottle of gin
And I had a fight with my best girlfriend
But when I'm drinkin', I am nobody's friend
But, please baby, wait for me until they let me out again

I know the same thing has happened before
And every time it does, I hate it more and more
But when I'm drinkin', I am nobody's friend
But, please baby, wait for me until they let me out again

(Spend a whole lot of time) Spend a whole lot of time
(Spend a whole lot of time) Sittin' and thinkin'
(Spend a whole lot of time) Sittin' and just thinkin' 'bout you

If I didn't spend so much time sittin' and drinkin'
We'd still have a love that we once knew
Oh, I won't promise the same thing won't happen again
But I can promise it'll be a long, long time 'til then
'Cause when I'm drinkin', I am nobody's friend
But, please baby, wait for me until they let me out again
Please baby, wait for me until they let me out again
