

# Charlie Rich, Sittin' & Thinkin'

Please baby wait for me  
Wait for me  
Wait for me

I got loaded last night on a bottle of gin  
And I had a fight with my best girlfriend  
But when I'm drinkin', I am nobody's friend  
But, please baby, wait for me until they let me out again

I know the same thing has happened before  
And every time it does, I hate it more and more  
But when I'm drinkin', I am nobody's friend  
But, please baby, wait for me until they let me out again

(Spend a whole lot of time) Spend a whole lot of time  
(Spend a whole lot of time) Sittin' and thinkin'  
(Spend a whole lot of time) Sittin' and just thinkin' 'bout you

If I didn't spend so much time sittin' and drinkin'  
We'd still have a love that we once knew  
Oh, I won't promise the same thing won't happen again  
But I can promise it'll be a long, long time 'til then  
'Cause when I'm drinkin', I am nobody's friend  
But, please baby, wait for me until they let me out again  
Please baby, wait for me until they let me out again
