

Charlie Robison, Down Again

Well here I go back down again
A vicious circle never ends
I'm up, I'm down, I'm up, and then
Well here I go back down again
It seems like all I do is roam
But you stood by me for so long
And nothings changed except your gone
But seems like all I do is roam
Well here I go back down again
A vicious circle never ends
I'm up, I'm down, I'm up, and then
Well here I go back down again
Well some folks say I drink too much
Well I guess I could lay off the stuff
When I'm low it picks me up
It could be I just think too much

Well here I go back down again
A vicious circle never ends
I'm up, I'm down, I'm up, and then
Well here I go back down again
Well you show up in all of my songs
Well I guess your memory is just as strong
Just when I think you're finally gone
Well you show up in all of my songs
Well here I go back down again
A vicious circle never ends
I'm up, I'm down, I'm up, and then
Well here I go back down again
I'm up, I'm down, I'm up, and then
Well here I go back down again
Well here I go back down again
