

Charlie Rock, Listen To Your Heart

Baby, you better listen to your heart girl
Baby, yeah

When I first looked into your eyes
I saw all the love that you had inside
I gave you my heart and soul
And now you say that you want to let go
You better wake up and realize what you have
Before you make me a man from your past
This love is true, this love is hard to find
So you better keep that in your mind girl

Chorus:

Listen to your heart, don't walk away from love
Can't you see that would be a mistake girl
Listen to your heart, don't walk away from love
I will be the only one you'll be thinking of
Listen to you heart girl

You said your love for me has died
So tell me baby, why these tears in your eyes
You know that we were meant to be
But you still want to walk away from me
You better wake up and realize what you have

Before you make me a man from your past
This love is true, this love is hard to find
So you better keep that in your mind girl

Chorus (2x)

Now you say you love me
But it's hard for you to show
When you have a love that's true
You should never let it go

Listen to your heart (3x)

Now you say you love me

Chorus (2x)

Listen to you heart (2x)
Don't walk away
Repeat (1x)

Listen to your heart girl
