

# Charlotte Cardin, Confetti

Always been loud in a quiet way  
I always feel alone in a crowded place  
I always wanna stay, wanna go  
Wanna stay, wanna go  
I don't know  
I don't know

I get sad on my birthday  
I wanna talk back  
In the worst way  
I always wanna stay, wanna go  
Wanna stay, wanna go  
I don't know what to say  
I wanna throw it all away

I feel like a zombie  
I'll die at the party  
Yeah, you'll find my body fully covered in confetti  
I tried calling somebody  
To tell them come get me  
But you'll find my body fully covered in confetti  
Singing la da da da da

La da da da da  
La da da da da  
La da da da da

Find me in the club looking golden  
I know everyone, I got no friends  
I always wanna stay, wanna go  
Wanna stay, wanna go  
I don't know  
I don't know

And I never know what to say  
'Til I'm already walking away  
Wanna punch you in the face  
But I won't  
But I might, but I won't  
And I don't wanna play  
I wanna throw it all away

I feel like a zombie  
I'll die at the party  
Yeah, you'll find my body fully covered in confetti  
I tried calling somebody  
To tell them come get me  
But you'll find my body fully covered in confetti  
Singing la da da da da

La da da da da  
La da da da da  
La da da da da

Look at the people, they're crazy  
Look at the people, they're crazy  
Look at the people, they're crazy  
Look at their pupils dilating  
Look at the people, they're crazy

I feel like a zombie  
I'll die at the party  
Yeah, you'll find my body fully covered in confetti  
I tried calling somebody

To tell them come get me  
But you'll find my body fully covered in confetti  
Singing la da da da da
