

Charlotte Church, All Love Can Be

I will watch you in the darkness
Show you love will see you through
When the bad dreams wake you crying
I'll show you all love can do
All love can do

I will watch through the night
Hold you in my arms
Give you dreams where love will be
I will watch through the dark
'Til the morning comes
All the light I'll take you through the night to see
A light showing us all love can be

I will guard you with my bright wings
Stay 'til your heart learns to see

All love can be...
