

Charlotte Martin, Just Like Heaven (Goldfinger Cover)

Show me, show me, show me how you do that trick
'The one that makes me scream', he said
'The one that makes me laugh', he said
And threw his arms around my neck
'Show me how you do it
And I promise you, I promise that I'll run away with you
I'll run away with you'

Spinning on that dizzy edge
I kissed his face, I kissed his head
And dreamed of all the different ways I had to make him glow
'Why are you so far away?' he said
'Oh, won't you ever know that I'm in love with you?
That I'm in love with you'

You, soft and only
You, lost and lonely
You, strange as angels
Dancing in the deepest ocean
Existing in the water, you're just like a dream

Daylight licked me into shape
I must've been asleep for days
And moving lips to breathe his name
I opened up my eyes
I found myself alone, alone
Alone above the raging sea
And stole the only boy I love
And drowned him deep inside of me

You, soft and only
You, lost and lonely
You, just like heaven
