

Charlotte Nilsson, I Write You A Love Song

Just to show how much you mean to me
I'd like to take you everywhere-
But babe we won't get far
Cause I ain't got no car or money
Just an old guitar

But I write you a love song
If you say that you love me
Say that I am the one and only
I write you a love song
If you say that you love me
The best one I've written
If you say you do

Babe, if I had money
I would give you everything
I take you out and treat you like a king
Yeah, I would have pick you up babe,
In a flashy car
But all I've got is a broken scooter
And a old guitar

But I write you a love song
If you say that you love me
Say that I am the one and only
I write you a love song
If you say that you love me
The best one I've written
If you say you do

Cause I want you to see,
That you're precious to me
And I like to buy you pretty things
To show you that you are-
But that so hard to do-
When all you own is a guitar

But I write you a love song
If you say that you love me
Say that I am the one and only
I write you a love song
If you say that you love me
The best one I've written
If you say you do
