

Charlotte Perelli, Hero (Eurovision 2008)

Everything has a beginning
Everything comes to an end
Take it or leave it, you better believe it
Be my lover, be my friend
Try to deny what you're feeling
And you know that your heart will say no
Love will last longer, growing stronger and stronger
If you stay and don't let go
Oh, out on the line, like a star, like a hero
Love will survive
Oh, taking a fight is the life of a hero
Staying alive
This is a story of love and compassion
Only heroes can tell
Oh, out on the line, like a star, like a hero
Love will survive
Heaven and Earth keep colliding
But we love on a world of its own
Oh, there you can fake it, just make it or break it
Only you can find the one
Oh, out on the line, like a star, like a hero
Love will survive
Oh, taking a fight is the life of a hero
Staying alive
This is a story of love and compassion
Only heroes can tell
Oh, out on the line, like a star, like a hero
Love will survive
Oh, survive
Heroes can live on their own
But heroes never die alone
Oh, out on the line, like a star, like a hero
Love will survive
Oh, taking a fight is the life of a hero
Staying alive
(This is a story of love and compassion)
Heroes can tell
Oh, out on the line, like a star, like a hero
Love will survive
