

# Charlotte Sometimes, In Your Apartment

Notice I've been looking around  
Still hoping that we'd work out  
But my authority on the subject  
Has been worn out

In your apartment  
We were together  
Always as one, always as one  
It was like this  
But it wasn't, was it?

I take deep breaths around you  
Watch the clock  
That's not the kind of girl I am

In your apartment  
We were together  
Always as one, always as one  
It was like this  
But it wasn't, was it?

So (ba ba ba ba) goes the trumpet inside my  
(Ba ba ba ba) goes the inside my  
In your apartment  
We were together  
Always as one, always as one  
It was like this  
But it wasn't, was it?

(Ba ba ba ba) goes the trumpet inside my  
(Ba ba ba ba) goes the trumpet inside my  
(Ba ba ba ba) goes the trumpet inside my head
