

Charlus, The Witch Wanders In

Low and behold,
The Witch Wanders In
Her mouth filled with snakes
I PrayAmen
I PrayAmen
If you think you know my problem
Come over here, I'll bend your ear
Take me to the burning oven
Turn it up hotter I'll jump right in
Special K, Cocaine,
Get myself all twisted up
Then I'm gonna come and face you
Face you like a mother fuckin riot
Face you like a mother fuckin riot
Young and afraid of the dark
And things that go bump in the night
That's when you put on a light
MACHT DEINAN DREUME SUS
That's what I'm telling you
That's what you've got to do
You've got to fight fight fight
For your life
Everyday you make a choice
Many lives are won and lost
What you choose creates or destroys
If you think you know my problem
Come over here I'll bend your ear
Take me to the burning oven
Turn it up hotter
I'll jump right in
I don't need cocaine, she's not in my head
I don't need cocaine, she's not in my head
