

Charly Lownoise, Fantasy World

im dancing under the moon above
and im singing my favourite song of love
im ravin on a memory and im livin in my fantasy with you

im dancing under the moon above
and im singing my favourite song of love
im ravin on a memory and im livin in my fantasy with you
im layin in the grass n watch the sky
see the clouds and birds passin by
and together with my dreams they drift away
to a fantasy world miles away from you

and am dancin and am ravin
yes i feel it now am shakin x4

im dancing under the moon above
and im singing my favourite song of love
im ravin on a memory and im livin in my fantasy with you
im layin in the grass n watch the sky
see the clouds and birds passin by
and together with my dreams they drift away
to a fantasy world fantasy world ...
