

Charly Lownoise, Your Smile

In my hands I hold your smile, and in my heart it runs so wild
You are the one you are unique, I'm so in love you make me weak
And the reason that I feel is like a shadow from a light
So if you have the chance to be with me be my shadow in the night
In my hands I hold your smile, and in my heart it runs so wild
I want you near me night and day, and I will love you all the way
And the reason that I feel is like a shadow from a light
So if you have the chance to be with me be my shadow in the night
