Charly Lownoise, Your Smile

In my hands I hold your smile, and in my heart it runs so wild You are the one you are unique, I'm so in love you make me weak And the reason that I feel is like a shadow from a light So if you have the chance to be with me be my shadow in the night In my hands I hold your smile, and in my heart it runs so wild I want you near me night and day, and I will love you all the way And the reason that I feel is like a shadow from a light So if you have the chance to be with me be my shadow in the night
