Charly McClain, Let Me Be Your Baby

Let me be your baby, hold me close tonight
Kiss away the teardrops till the mornin' light
Help a lonely lady make it through the night
Let me be your baby, tell me it'll be all right
Rock me in the cradle of your lovin' arms
Wrap your love around me, keep me safe and warm
Tell a bedtime story and gently tuck me in
Let me be your baby, don't let me be alone again

Be my lovin' daddy and sing a lullaby
Promise me, you'll never make your baby cry
Help a lonely lady make it through the night
Let me be your baby, tell me it'll be all right
Let me be your baby, tell me it'll be all right
