

# Charmaine, Acceptable

Oh Lord, my God  
My Strength, My Redeemer  
King of kings and Lord of lords  
Hear my voice don't turn away  
Oh Lord I pray

Let the words of my mouth  
And the things of my heart  
Be Acceptable, Acceptable

Let the words of my mouth  
And the things of my heart  
Be Acceptable, Acceptable to You

Lord I want to know Your ways  
Show me the path that I must take  
Oh God I pray  
Cleanse my soul and make me new  
Lord I want to live for You  
In all that I do
