

Charmaine, Acceptable

Oh Lord, my God
My Strength, My Redeemer
King of kings and Lord of lords
Hear my voice don't turn away
Oh Lord I pray

Let the words of my mouth
And the things of my heart
Be Acceptable, Acceptable

Let the words of my mouth
And the things of my heart
Be Acceptable, Acceptable to You

Lord I want to know Your ways
Show me the path that I must take
Oh God I pray
Cleanse my soul and make me new
Lord I want to live for You
In all that I do
