

Charmaine, I Love You Lord

Quietly i listen to your voice
You're whispering the mystery of you to me
i stand in awe as you reveal your grace
now my life is yours and i can see your face

[chours]and i love you Lord,the more i see your heart
You're beautiful,You loved me from the start

You are merciful,yes you are good
forever you are true its my joy to worship you

repeat chours

Cause all i have to give my Lord is just a broken heart
Words fail to show how great you are in everything you've done

repeat chours x4

yes i Love you Lord(x3)
th more i see your heart,the more i fall in love
i Love you Lord
