

Charmaine, You Are Here With Me

Lord You are maker of the heavens
You placed the light into the stars
How wonderful You are

Who am I to catch Your sight
You who hold the universe
Still I can't believe, that
You are here with me

How can I stand here with You
You who hold the universe
Still I can't believe, that
You are here with me

Lord You are maker of my destiny
You placed Your light into my heart
How wonderful You are

Hallelujah
Hallelujah
Lord my heart sings praise to You
