Charmed, Multiply

I needed stronger powers
But I hadn't them
Then I found old book
Called The Book of Shadows
There was a little spell
I did it

chorus:
Take my powers blessed be
Multiply their strenghst by three

Then I got power (multiply)
I was strong (by three)
But I was everywhere (multiply)
There was three me (by three)
We were strongest together

chorus (4x)

Night was dark
demon killed two girls
they were me
I lost my stronger powers
I was me again
My sisters helped me
And we won

chorus (2x
