

Charmed, The Power Of Three

Some day in San Francisco
There was the sisters three
Who didn't know, they were witches
But there was a demon
who wanted to kill them

CHORUS

We are the sisters three
And the power of three will set us free
Its always on our side
Itll never let us to die

When the demon found sisters three
He tried to kill them
But sisters had their power of three
And it will set them free

CHORUS (2x)
