

Chase Atlantic, Die For Me

[Intro]

Ooh, oh, yeah
Ooh, oh, yeah, yeah
Ooh, oh, yeah
Yeah

[Verse 1]

Yeah, hit the gas at 90, she sniffs gasoline (She sniffs gasoline)
Throw it back in private, never on the screen, no (No screen, no)
Love the passion, fire, high off self-esteem, yeah
So I land it, she said, "Fuck me 'til I scream", woah

[Pre-Chorus]

She at the top of her game
Couldn't give a flyin' fuck if I'm famous (Famous)
Nothin' was ever the same
Chase in rotation, no Drake in her playlist (Playlist)
Fiendin' for money and fame
She's outta be, she tryna retain us
She want the status to change
But out of respect, I'm keepin' her nameless

[Chorus]

Come on over, baby, can you slide for me? Yeah
You know how I love it when you ride on me
Oh, Lord, I'm in the water, take a dive with me, ay
Put it on your tongue and take a flight with me, ha
Pull up, baby, I need you to slide on me, yeah
Jump inside the Jeep and take a drive with me
Good God, she's on the floor, rollin' her eyes at me, uh
Once I get inside, she'll want to die with me, yeah

[Verse 2]

Come on over, baby, won't you lie? (Yeah)
Cocaine in my system in the driver's seat
Oh, Lord, I feel the pressure, it's surroundin' me
I'm just tryna live my life and die in peace, yeah, yeah
Stop all the talkin' (Bitch), I'm wastin' my damn time
Yeah, she told me to stop it (Told me to stop it)
She told me to savor her love
Yeah, I told her I love it
She said, "I don't give a fuck", yeah, baby, I doubt it
Baby, I doubt it

[Bridge]

Fly with me
Parasail and take a glide with me, yeah
Drive with me
Keep the passion, keep on driving me

[Chorus]

Pull up, baby, I need you to slide for me
Y-Y-You know how I love it when you ride on me
Oh, Lord, I'm in the water, take a dive with me, yeah
Put it on your tongue and take a flight with me, ha
Pull up, baby, I need you to slide for me, yeah
Jump inside the Jeep and take a drive with me
Good God, she's on the floor, rollin' her eyes at me, hey
Once I get inside, she'll want to die with me, yeah, yeah, yeah

[Post-Chorus]

Baby (Come on in and fucking drive)
Baby, yeah ([?] hard to leave, no)
Once I get inside, she'll want to die with me (Do you [ever wanna get enough?])

Parasail and take a glide with me, yeah ([?], she could chill)
(See your eyes on my head)
Oh, oh, oh, oh (Pullin' her skirt up)
Yeah, yeah, yeah, yeah (I need her in pain)
Yeah, yeah, yeah, yeah (Feelin' for pleasure)
Yeah, yeah, yeah, yeah (I don't know what the fuck am I playin')
Yeah, yeah, yeah, yeah ([?] [with the driver?], oh yeah)
Yeah, yeah, yeah, yeah (I don't know what the fuck I'm sayin')

[Outro]

Baby

Drive with me

If I overdose, then will you die with me?

My darlin'

Die for me

Puts her lap on my body, it's a lie

If I overdose, will you die with me, baby?
