

# Chasen, Don't Walk Away

You're the dream  
I've been dreaming 'bout  
Finally there is no doubt  
That You are the one  
And everytime that the moon might shine  
The stars come out  
I'm captured by You and Your beauty  
You're amazing to my eyes  
You're the reason I'm alive  
And I love You  
Believe me when I say  
You complete my every day  
And I can't live without You  
I'm at a loss for words  
And I can't go on  
Frozen here within Your glow  
A smile can captivate me  
There's nothing between You and I  
Been loving You at first sight  
You, You fascinated me  
[Repeat Chorus]  
Don't walk away  
Cause I'm not over You  
Just let me stay here  
In You're embrace  
I'm singing don't walk away  
Keep coming closer, keep coming closer  
Now don't walk away  
keep coming closer  
Now don't walk away  
Keep coming closer  
[Repeat Chorus]
