

Chasen, Doubts Or Disbelief

Oh this Joy
Can only come from one place
It must be your smile
That lays perfectly on your face
You've taken these old chains
And these burdens off of me
Now I can show my true light
How you and me ought to be
'Cause I'm singing oh oh oh
Oh oh oh I'm free
I'm singing oh oh oh
Oh oh oh I'm free
I can feel you here now
Yes I know there's hope for me
There's no more fear of your love
No more doubts or disbelief
'Cause I'm singing oh oh oh
Oh oh oh I'm free
I'm singing oh oh oh
Oh oh oh I'm free
I will not forget
The night you held me safe
And I will not forget
The night you set me free
Oh OH oh OH I'm free
OH oh Oh Oh I'm free
You're love has set me free
Oh oh oh I'm free
Now I see, I see yeah
OH oh Oh oh I'm free, I'm free
OH oh Oh oh I'm free
OH oh Oh oh I'm free
