

Chasen, If It Comes Down

Secret lives that we live
Secret words we exchange
In a crowd is where
Disclosure interacts with my pain
You're something I can't erase
You're something I don't want to change
But I don't want to fear loving You
I just want to walk
In the shadows with You
Cause if it comes down
To the world or loving You
Oh, I choose You
(Yeah and I choose you)
Denial seems to be the word
That makes it all go away
But the fact of the matter
Is love will never shatter
The trueness of our hearts
Cause if it's You who never fails
You lift me up when I'm down
[Repeat Chorus]
I won't bend and I won't break
No matter what they may say
I won't bend and I won't break
No matter what they may say, no
Yeah, la la la la
[Repeat chorus]
You said that it came down
To the world or loving You
And I choose you
