

# Chastisement, But Lost We Are

(Music - Chastisement, Lyrics - Marcus)

Creator what is this / look at me all my dreams are ceased / hopeful dreams  
i have dreamt for you who are here in the mist / in my eyes it is pure  
divinity / set me down oh faithful one / i bow to thee / oh greatful one /  
rise and shine you fairytale / lost in time we end our way / but lost we are  
/ our life is a breeze a tale a dream a drop into a line of time / a minute  
shivers from the rainbow / breaks and fall the dream complete / set me down  
oh faithful one / i bow to thee / oh greatful one / rise and shine you  
fairytale / lost in time we end our way / but lost we are / all my dreams  
are lost are gone are dead / are falling through a flame of fire / rise and  
shine the tale survived / but lost we are forever gone / no longer seen
