

Chatham County Line, I Shall Be Released

They say everything can be replaced
They say every distance is not near
So I remember every face
Of every man who put me here
I see my light come shinin'
From the west down to the east
Any day now, and day now
I shall be released
They say every man needs protection
They say that every man must fall
Yet I swear I see my reflection
Somewhere so high above this wall
I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be released
Now yonder stands a man in this lonely crowd
A man who swears he's not to blame
And all day long I hear him shouting loud
Just crying out that he was framed
I see my light come shinin'
From the west down to the east
Any day now, any day now
I shall be released
