

# Chaz N' Dave, Mustn't Grumble

Well I had an old uncle was mean as can be  
He said "When I die you'll get nothin' from me"  
Mustn't grumble, mustn't grumble  
All he left me was an old over coat  
But I found in the pocket a fifty pound note  
Mustn't grumble, mustn't grumble

Now I is a do it yourselfer you see  
It don't half make life easy, take it from me  
Mustn't grumble, mustn't grumble  
The wife wants the grass cut or a new kitchen shelf  
Just do as I do and say do it yourself  
Mustn't grumble, mustn't grumble

Mustn't grumble, don't worry 'bout nothin' my friend  
Mustn't grumble, 'cause all's well that's well in the end  
Mustn't grumble, grumble and you're on your own  
Laugh and the world laughs with you  
Cry and you'll cry all alone  
Laugh and the world laughs with you  
Mustn't grumble, mustn't grumble

I came home from work, there was firemen about  
They said "we couldn't save it, youe house has burnt down"  
Mustn't grumble, mustn't grumble  
I said "that's alright, don't worry mate,  
'Cause the bathroom needed painting, it weren't half in a state"  
Mustn't grumble, mustn't grumble

Now I collect the football pools money, you see  
And one week we won it, me work mates and me  
Mustn't grumble, mustn't grumble  
Came home from work early feelin' pleased with meself  
The I saw the coupon still stuck on the shelf  
Mustn't grumble, mustn't grumble

Mustn't grumble, don't worry 'bout nothin' my friend  
Mustn't grumble, 'cause all's well that's well in the end  
Mustn't grumble, grumble and you're on your own  
Laugh and the world laughs with you  
Cry and you'll cry all alone  
Laugh and the world laughs with you  
Mustn't grumble, mustn't grumble
