

# Cheap Sex, It's Up To You

you only get one chance in this life you live  
nobody will give nothing to you  
do what you can to get ahead  
you know you've gotta see it through  
never listen to anyone  
only you will know what's right  
fuck what the others have to say  
always keep your goals in sight

[Chorus:]

it's up to you ...  
no one can do the things you do..  
you know it's up to you!  
no one can live your life for you!

the day you give in, and they get their way  
then they'll know they've won  
gotta keep one step ahead  
ya gotta stay on the run  
always stay true to your soul and mind  
always listen to your heart  
what others say doesn't mean a thing  
give yourself a fresh new start.
